

MOSAIC PROGRAM LEASE PROGRAM ADDENDUM

Last updated March 23, 2023

This Lease Program Addendum (this “**Lease Addendum**”) supplements and is incorporated by reference into the Mosaic Program Participation Agreement (the “**Participation Agreement**”) between Solar Mosaic LLC, a Delaware limited liability company (successor in interest to Solar Mosaic, Inc.), as administrator of the Mosaic Loan Program (the “**Loan Program**”) and Modern Home LLC, a Delaware limited liability company, as administrator of the Mosaic Lease Program (the “**Lease Program**”, and together with the Loan Program, the “**Mosaic Program**”), of the first part (collectively, “**Program Administrator**”), and the Person named as Participant in the Participant Application, of the second part (“**Participant**”). All capitalized terms not otherwise defined herein shall have the meanings given to them in the Participation Agreement.

1. APPLICABILITY; ELIGIBLE PRODUCT LIMITATIONS

- 1.1. Applicability. This Lease Addendum applies to the promotion and origination of any Lease under the Lease Program. Participant agrees to comply with the terms and conditions of this Lease Addendum, as well as the other Mosaic Program Documents, whenever promoting the Lease Program to Customers interested in leasing Eligible Products. In the event of a conflict between the terms of this Lease Addendum and other Mosaic Program Documents, the order of priority described in Section 12.8 of the Participation Agreement shall apply. Program Administrator may modify the terms of this Lease Addendum in its sole discretion as set forth in Section 1.4 of the Participation Agreement.
- 1.2. Eligible Product Limitations. The Lease Program is available only for the following Eligible Products: HVAC Equipment (collectively, “**Lease Equipment**”). Participant agrees to comply with the additional obligations set forth in the applicable supplement for each type of Lease Equipment promoted by Participant under the Lease Program (each, a “**Lease Supplement**”).

2. PURCHASE AND SALE; PAYMENTS

- 2.1. Purchase and Sale. Participant shall sell, and Program Administrator shall purchase, Lease Equipment associated with a Lease on the terms and conditions described in the applicable Lease Supplement.
- 2.2. Payments; Payment Schedule. Program Administrator, on behalf of any applicable Financing Provider, will define payment milestones for Lease Equipment (each, a “**Payment Milestone**”). Upon completion of the applicable Payment Milestone (“**Milestone Completion**”), Program Administrator will direct Participant and/or the Customer to provide confirmation and/or evidence of such Milestone Completion, in each case in such form and substance as required by Program Administrator or the applicable Financing Provider, and Participant shall deliver or cause the related Customer to deliver such confirmation and/or evidence promptly upon Program Administrator’s request.
 - 2.2.1. Participant agrees to accept an amount equal to the amount charged by Participant for the Lease Equipment and installation from Program Administrator or any Financing Provider under this Agreement (the “**Product Installation Amount**”) in full satisfaction of the amount owed by the applicable Customer for the Lease Equipment under the Installation Agreement. Subject to Section 2.5, Program Administrator, on behalf of the applicable Financing Provider, will pay Participant the Product Installation Amount in installments within ten (10) business days following the achievement of each Milestone Completion as notified by Program Administrator to Participant (the “**Payment Schedule**”). Program Administrator reserves the right, in its sole discretion, to change the Payment Schedule and any other payment terms upon written notice to Participant in accordance with Section 1.4 of the Participation Agreement.
 - 2.2.2. Program Administrator may, in its sole discretion, pay all or a portion of the Product Installation Amount to Participant prior to expiration of the applicable Customer’s statutory right to cancel the Lease Agreement if the Customer wishes to waive such statutory right due to emergency circumstances. In such an

event, Participant must obtain from the Customer a waiver in the Customer's own handwriting that (a) details the nature of the emergency, (b) states that the Customer is waiving his or her right to cancel the Installation Agreement and the Lease Agreement with the applicable Financing Provider within the statutory period, (c) is signed and dated by the Customer, and (d) is otherwise in the form required by Applicable Law (a "**Cancellation Waiver**"). Participant will promptly provide a copy of any Cancellation Waiver within three (3) business days of Program Administrator's request therefor. In the event that Participant fails to provide a copy of the Cancellation Waiver within such timeframe, or the Cancellation Waiver is not in the form required by this Section 2.2.2, then Program Administrator reserves the right to cancel the applicable Lease Agreement and exercise the remedies set forth in Section 2.7 of the Participation Agreement. Copies of all Cancellation Waivers shall be retained by Participant for three (3) years.

2.3. Payment Method.

2.3.1. All payments referenced in this Agreement shall be made electronically via wire transfer, ACH (Automated Clearing House) payment or similar means. Participant authorizes Program Administrator, on behalf of the applicable Financing Provider, to initiate credit entries for amounts that may be due Participant under this Agreement. Participant authorizes Program Administrator to initiate debit entries for (a) any credit entries in error; or (b) the amount which Participant owes Program Administrator or any Financing Provider under this Agreement which is more than the amount owed to Participant. Such credit and debit entries will be to the bank account identified by Participant. The authorizations set forth in this Section 2.3.1 will remain in effect until the date on which all Leases have been terminated or expired in accordance with their terms. Participant must notify Program Administrator within three (3) business days of any change to the bank account for such ACH credits and ACH debits. Program Administrator agrees to comply with written notifications from Participant that alter Participant's bank account information (i.e. name and address of the bank or financial institution, transit/routing number or account number), provided, that Program Administrator receives at least five (5) business days notice of such changes. Any payment disputes shall be resolved pursuant to Section 10 of the Participation Agreement.

2.3.2. Any disbursement due to Participant under the Participation Agreement will be made by Program Administrator to Participant or to an equipment manufacturer, distributor or other designee(s) specified by Participant (a "Payment Designee") and will be sent to the bank account of record for Participant or its Payment Designee at the time the disbursement is made. Any disbursement by Program Administrator on behalf of Participant to any Payment Designee shall constitute a payment by Program Administrator to Participant for amounts owed by Program Administrator to Participant pursuant to the Mosaic Program Documents. To the extent a disbursement made on behalf of Participant to any Payment Designee is less than the total purchase price of the related Eligible Product owed by Participant to such Payment Designee, Participant shall be solely responsible for the payment to such Payment Designee of any such deficiency.

2.4. Additional Representations, Warranties and Covenants of Participant. Without limiting Participant's obligations under other Mosaic Program Documents, (a) Participant shall not require, through a price increase, additional fee, surcharge, or otherwise, any Customer to pay any fees in connection with obtaining financing through the Mosaic Program (including any fees imposed by Financing Providers or Program Administrator on Participant under the Participation Agreement), provided, that Participant may treat such fees as overhead to be distributed across Customers regardless of whether such Customer uses a Lease; (b) Participant represents and warrants that the Product Installation Amount represents the cost of the Lease Equipment and installation and Participant shall not knowingly encourage, assist or permit any Customer to receive cash or other payments from Participant or any other party in connection with the Loan or Lease (except any applicable rebates from the manufacturer of the related Eligible Product or local utility, as applicable); and (c) Participant shall not, directly or indirectly, make or agree to make any payment on a Lease on behalf of a Customer without the prior written approval of Program Administrator.
